Executive Changes at Community Living Campbellford/Brighton

With regret, the board of Community Living Campbellford/Brighton announces the February 2021 retirement of Nancy Brown, long-time Executive Director.

Nancy began her career with Community Living Campbellford/Brighton in 1986. She was appointed Executive Director in 2008 and has led the organization through extraordinary development. Early in her career, she was instrumental in the building of two homes to welcome 11 people to the Trent Hills area after the closing of institutions in Ontario. Nancy was an influential leader in the Keystone Corporation, building a home in Cobourg to support families with adult children living at home.

Under Nancy Brown’s leadership, the organization has been recognized by the Council on Quality and Leadership (CQL) since 2000 as providing quality supports & services. The Ontario Ministry of Children, Community and Social Services, conducted five reviews indicating 100% compliance with standards, a record achievement. Nancy has been active on many provincial committees advocating for those with intellectual disabilities. She has led this organization with a passion, kindness, and professionalism, keeping people receiving services at the forefront.

The board wishes her well in continuing her journey. A celebration of Nancy’s achievements on our behalf will be held as COVID-19 allows.

With this news, we are pleased to announce the appointment of Dawn Lee as our new Executive Director.

Dawn joined us in 2004 with years of experience working with people with disabilities and conducting quality reviews across North America, at organizations supporting people with disabilities. Dawn has been the Director of Quality Enhancement & Community Development and has been an essential component in the success of the organization. Dawn has taken on leadership roles numerous times during her tenure and has been a driving force in managing our successful pandemic response. We welcome Dawn and are confident that she will continue to ensure excellence in leading our organization forward in these challenging times.

Sincerely,

Donna McDonald
President, Board of Directors
